Dear Bill:

A principals only meeting of the National Drug Policy Board has been scheduled for March 28, 1988 at 10:00 a.m. in the Roosevelt Room, The White House.

The purpose of the meeting is to discuss the overall situation in the narcotics producing countries of Latin America. Specifically, I would like to have the benefit of your thoughts and observations of how we can further improve our efforts in that region.

I have planned a trip with officials from State Department, Treasury Department, the White House, and DEA to several Latin American countries. The objectives of the visit are to review our on-going activities in the region; to encourage foreign cooperation and aggressive action against the production and distribution of narcotics; and, to highlight publicly our international efforts. The views and opinions of the National Drug Policy Board will be critical to the success of our Administration's efforts and my discussions.

Please have your office advise David Pickens, Executive Director, at 633-3435 of your attendance.

With warm personal regards,

Sincerely,

EDWIN MEESE III
Chairman
